American Security Cabinets (ASC) is pleased to submit our proposal for book drop kiosks. ASC believes we offer one of the most secure, compliant, and cost-effective library return options available for your community.

American Security Cabinets proposal provides you with the best drop box solution for a couple of key reasons:

ASC maintains over 45 years of experience manufacturing secure, quality cabinetry to house sensitive materials.

We have been the vendor of choice for thousands of State, County, and City projects.

ASC believes the attached document will demonstrate our industry leading ability to support your project with secure, safe, cost effective book drops.
