Follow us on:

American Security Cabinets is proud to offer our communities a solution for gathering worn flags for proper retirement. Our Flag Drop Boxes are made from high grade, heavy gauge, brushed Stainless Steel, guaranteeing the most durable and appealing flag drop on the market.

Across the USA hundreds of American Legions, VFW's, Scouts, Cemeteries, and local businesses turn American Security Cabinets for safe and secure flag retirement boxes.

ASC understands this is a huge investment for many organizations. So, we have priced our flag retirement cabinet below our normal retail prices to help support your initiative.

## Product Features

### KIOSKS

18-gauge heavy duty steel – Powder Coated or Stainless Steel  
(Lifetime warranty against rust through corrosion on Stainless Steel)

Two all brass-works registered locks with double-bitted keys (keys that cannot be copied)

Anti-pry door jamb

Restricted opening to eliminate unwanted materials to be deposited or retrieval of collected materials.

Hand-assembled in US with 100% American made steel

Models 710 thru 810 designed with tapered tops to help prevent unwanted material stacked on kiosk tops.

### INSTALLATION

Flag Drop is delivered fully assembled

Four (4) Anchors for mounting are included with instructions for easy installation. Installation times often less than 30-minutes.

Most products are easily moved with a hand truck

Turn-Key Installation quote available upon request

### COMPLIANCE

ADA Title II and Title III compliant
