Follow us on:

American Security Cabinets sets the standard for secure Payment Drop Boxes. Manufactured in Sauk Rapids, Minnesota, our Drops Boxes are designed with safety in mind. From double locking access doors with cam locks and anti-pry door jambs, to our anti-phishing technologies, no other drop boxes can compare.

Thousands of government agencies, municipalities, and local businesses trust American Security Cabinets for a safe and secure payment drop boxes.

ASC believes the attached document will demonstrate our industry leading ability to support your project with secure, safe, cost effective payment drops.

AMERICAN SECURITY CABINETS

- Restricted chute openings - protects the payments from phishing
- Double locking access doors with two keyed brass cam locks
- Anti-pry door jam
- Collection Tote included – no crawling on hands and knees to retrieve payments
- Custom signage included
- Easy installation in under 30 minutes with anchor bolts included
- Non-perishable material - Lifetime warranty on Steel
- Internal anchors
- Brushed Stainless Steel
- ADA compliant

COMPETITION

- Payments are exposed and easily accessible every time the chute is open.
- Easily pry-able door jams
- Single locking access doors with padlocks that are easily cut off with a bolt cutter
- Collector often must get on hands and knees to dig in to the drop box to collect payments with no totes.
- Limited color and customization
- Painted aluminum/steel with no warranties covering corrosion. Perishable material - eventually rusts/corrodes
- Exposed anchors
- Additional modifications needed to be ADA compliant
- Installation usually requires an outside contractor and additional equipment

Product Features

KIOSKS

18-gauge heavy duty steel – Powder Coated or Stainless Steel
(Lifetime warranty against rust through corrosion on Stainless Steel)

Two all brass-works registered locks with double-bitted keys (keys that cannot be copied)

Anti-pry door jamb

Restricted opening to eliminate unwanted materials to be deposited or retrieval of collected materials.

Hand-assembled in US with 100% American made steel

Models 710 thru 810 designed with tapered tops to help prevent unwanted material stacked on kiosk tops.

INSTALLATION

Payment Drop is delivered fully assembled

Four (4) Anchors for mounting are included with instructions for easy installation. Installation times often less than 30-minutes.

Most products are easily moved with a hand truck

Turn-Key Installation quote available upon request
