

EDU INSTALLATION INSTRUCTIONS

01

Carefully unpack your EDU. Please inspect your shipment at the time of delivery. Customers are responsible if damaged merchandise is signed for at the time of delivery.

02

Prepare a 4" x 9" wide rough opening on the exterior wall.
Secure the payment chute to the receiving chest.

03

From the interior, slide the assembled chute and receiving chest through the wall to where the open end of the chute is flush with the exterior wall.

04

Level and shim chute within the exterior wall.

05

Fasten the chute and receiving chest to the interior wall, if desired.

06

Install the Stainless Steel EDU head to the chute using the hardware included.

Insulate and weather seal as your location requires.

EDU STAINLESS STEEL CARE INSTRUCTIONS

Clean monthly with an oil based stainless steel cleaner.

Polish for a long lasting shine.

Use a powder graphite or lock lubricant to help the lock work smoothly.
